CREDIT TRANSFER APPLICATION FORM

Credit transfer assess the initial course or subject that an individual is using to claim access to, or the award of credit in, a destination course. The assessment determines the extent to which the client's initial course or subject is equivalent to the required learning outcomes, competency outcomes, or standards in a qualification. This may include credit transfer based on formal learning that is outside the AQF. You must supply NAFET with the relevant documented evidence in support of your RPL application. Please note that only sighted original documents or certified copies will be accepted.

The award of credit in a course or qualification may lead to the partial or full completion of requirements for that course or qualification. This means the duration of the course may be reduced. Please note that NAFET only accepts applications prior to course commencement.

Please submit the application and all supporting documents to the Administration Department.
